

metabolite. At the very least, Applicants submit that the claims of Groups I and II be considered in this application, since the claims of Group II (*i.e.*, claims 16-45) are directed to pharmaceutical compositions and dosage forms that can be used in the methods of Group I.

On page 4 of the Office Action, a selection of species is required. Applicants select neuroleptic disorders, which are disclosed at, for example, page 6, lines 9-10 of the Specification.

Respectfully submitted,

Date: August 28, 2001
